INCIDENT NARRATIVE

(The facts for probable cause to arrest AND to substantiate the charges include, but are not limited to, the following)

Ever summary r/os responded to an assignment of a violation order of protection on arrival, r/os approached the arrestee whom fit the description of the person known to be in violation. After further investigation the victim/complainant stated that she had an order of protection against her baby's dad (arrestee) who at which time was standing in the hallway of location of arrest. R/Os then proceeded to attempt to place the arrestee into custody when he pushed officer manker#19862 to the floor and shoved officer mcquarterm#17198 back into the wall to resist being arrested. Arrestee then ran in unknown direction. R/Os toured area and located offender back at the same location of incident. R/Os smith#17084 and Bryant#11249 came on scene to assist. The arrestee tried again to proceed to push his way through the officers striking at them with his feet and elbows, and flailing his arms to defeat an arrest. The arrestee continued to strike at officers at which time officer manker#19862 then deployed her oc spray, and P.O. Bryant#11249 deployed his taser. eventually arrestee was taken into custody then was transported to Jackson Park Hospital by EMS #50 and seen by Dr. Eng. offender in good condition, no investigative alerts, no trapp, no gipp, related r.d. number on 17 July 2013 when arrestee original violated order of protection.
